

Prayer

Praying for Others
Penetrates the hearts we cannot open,
Shields those whom we cannot guard,
Teaches where we cannot speak,
Comforts where our hearts have no power to soothe,
Follows our best beloved through the trials and perplexities of the day
Lifting off their blindness with an unseen hand.

When we pray what is it we are praying for? How much do we transfer our desire to control our world around us into a prayer that, when answered, will bring things in line with what we think is best.

Why not try to let go and let God!

Consider praying simply for the person(s) "To BE".

To Be – Who they were created to be.

To Be - All that God calls them to be.

To Be – In the moment whatever that moment happens To Be!

*We call ourselves Human Beings and not Human Doings
So Pray for yourself
When discerning a call from God, PRAY that you will
GROW and BECOME*

*Who you were created to BE
All that God calls you to BE
So that you can and will BE
In each moment of each day whatever that moment happens to BE!*

Amen and Amen!!
